

Prof. Amin Rajan

CEO of CREATE & Global Authority on Leadership

CSA CELEBRITY SPEAKERS

Amin Rajan is CEO of CREATE, a pan-European network of prominent researchers undertaking high level advisory assignments for the UK government, City institutions, multinational companies and international bodies such as the EU, OECD and ILO. He was awarded the Aspen Institute's Prize in leadership (1998) for his research and is now a globally recognized authority on leadership.

"Amin's work has proved so influential that he now provides leadership coaching to top executives and investment specialists"

In detail

Amin Rajan was formerly an economic advisor at the National Economic Development Office, Cabinet Office and HM Treasury. He has carried out numerous studies for the UK Government and international bodies and advises CEOs and investment specialists of a number of international companies. He is a visiting professor at the Cass Business School, London Metropolitan University, Centre for Leadership Studies at Exeter University and has published several books and articles on leadership, business cultures, globalisation, new technologies, diversity and new business models.

What he offers you

Drawing from his extensive research involving outstanding business leaders, Amin Rajan offers decision makers around the world essential advice on leadership and emerging business strategies. He also gives valuable insights into the links between vision, values, cultures, structures and the need for diversity in the workplace.

How he presents

Appearing regularly on business television as well as at numerous events around the world, Amin Rajan's high content presentations are filled with invaluable information from his research perfectly tailored to suit individual client's needs.

Languages

He presents in English.
