

Anders Sorman-Nilsson

Futurist and Innovation Strategist

CSA CELEBRITY SPEAKERS

Anders Sorman-Nilsson is an Australian-Swedish futurist and innovation strategist who has helped executives and leaders prepare and strategise for foreseeable and unpredictable futures. He is the founder and creative director of the Sydney and Stockholm based strategy think tank Thinque that helps executives and leaders convert disruptive questions into proactive, future strategies. Since founding Thinque in 2005 he has worked with and spoken to clients like Apple, Johnson & Johnson, Cisco, Eli Lilly, SAP, IBM, Xerox, ABN Amro Bank, Commonwealth Bank, McCann Erickson and BAE Systems, across diverse cultural and geographic contexts.

"Anders takes us on a personal journey exploring the big questions on how to adapt to a cultural change that is sweeping the world." John Sculley Ex-CEO of Appl

In detail

Anders is an active member of TEDGlobal, has spoken at TEDx and guest lectured at Universities around the globe. He is a member of the University of Sydney Global Executive MBA cohort and has completed executive education at the Indian Institute of Management Bangalore.

What he offers you

In his presentations Anders gives fresh insights into global future trends. He analyses how oncoming trends are likely to affect organisations and enables them to act swiftly to position them favourably for the future. Anders' future thinking provides guidance for businesses, teams and leaders seeking to navigate through a constantly shifting business landscape and successfully enter a new decade of thinking.

How he presents

Anders' presentations are highly engaging, informative and entertaining.

Languages

He presents in English and Swedish.
