

Ayesha Khanna

Technology, Urbanization and Education Advisor

CSA CELEBRITY SPEAKERS

Ayesha Khanna is an education, technology and urbanization expert with over 15 years of experience in product and service innovation and human capital development. She is Chairman of Technology Quotient, a company that operates technology platforms to train skills and facilitate job creation. She is also the Founding CEO of The Academy, an innovative enrichment hub. Previously, she co-founded the Hybrid Reality Institute, a research and advisory group that analysed emerging technologies and their social, economic and political implications.

"A leading expert on our intelligent future"

In detail

Ayesha advises companies and governments on smart city related strategies and investments, most recently focusing on education and innovation hubs. Her clients among others have been: JP Morgan, AIG, DTCC and Bank of America. She has a BA in Economics from Harvard University, an MS in Operations Research from Columbia University and is completing her PhD at the London School of Economics. She directed the Future Cities Group at the London School of Economics and has been a Faculty Advisor at Singularity University.

What she offers you

Ayesha's vast expertise on the intersection of technology, business and education helps audiences understand what is to come in the future. She shares with audiences how technologies disrupt and transform society, business and government.

How she presents

Ayesha sees the world with a different set of eyes and she is very practical in putting new ideas into practice. Her unique background and experience allow her to engage her audience.

Languages

She presents in English.
