Carlos Espinosa is a renowned commercial expert & state economist. He is currently Vice-President of Inditex, one of the world's largest fashion retailers and advisor to Acciona S.A., a Spanish conglomerate dedicated to engineering, construction and infrastructure. Carlos Espinosa was President and CEO of Daimler Chrysler Spain and Chief Executive Officer for Mercedes Benz Spain for more than 20 years.

"A key figure in Spanish business & politics"

In detail

He has held several high profile positions including Sales Director and Vice-President of the National Institute of Industry in Spain and President of Iberia and Aviaco airlines. He was also a member of the Board of Directors of the International Air Transport Association and President of the Businessmen Circle of the Spanish Association of Motor Vehicle Manufacturers and of the International Organisation of Motor Vehicle Manufacturers. Carlos was Professor of Economy at ICADE, a member of NATO's "Wisemen Group" for the analysis of European industry and consultant at the CEE for the study of the future of the aeronautic industry. He worked for the Spanish Government as Spanish Commercial Aggregate in Chicago and became the first president of Bodegas González- Byass who wasn't a member of the González family.

What he offers you

One of the key figures who have shaped the Spanish business and political landscape in recent years, Carlos Espinosa addresses in his highly sought-after presentations the analysis of the Spanish economy, the internationalisation of businesses and the current sociopolitical environment. With almost 40 years experience, he has seen the positives and negatives in business and management and provides useful advice how to be less vulnerable to the crisis, how to position yourself effectively in different markets and the development of strategic sense for SMEs.

How he presents

Carlos Espinosa is a powerful and informative orator with excellent communication skills.

Languages

He speaks fluent English, French, Spanish and Italian.
