

Murat Günak

World-Renowned Automotive Designer

CSA CELEBRITY SPEAKERS

Murat Günak is a world-renowned and respected automotive designer. He was Head of Design at leading automotive companies, such as Peugeot, DaimlerChrysler and Volkswagen, including Skoda and Bentley. He is currently the CEO of Mindset, an innovative idea company in Switzerland. Since 2007, he has been devoting himself primarily to the development of vehicles with electric drive. After having completed the Swiss hybrid car Mindset, Günak designed the mia - the heart of mia electric GmbH, a company of which he is also a managing director.

"The joy of design is to imagine, to create and to bring to reality what started as an idea in the head"

In detail

After some work experience with the opera stage design he got a sponsorship from Ford Motor for a Master of Automotive Design at the Royal College of Art in London. He had his first breakthrough with the design of the first Mercedes C-Class car and then with Peugeot 206, 307 and 607. At DaimlerChrysler he was responsible for the design of Mercedes Passenger Cars, Maybach and SLR. He designed the round lights which appear on every Mercedes.

What he offers you

Murat Günak draws on his extensive experience in design to give fascinating insights into the innovative concepts and designs he creates. His approach to innovation and creativity is strongly influenced by the disciplines of design. He takes up the challenge of reinventing the relationship between design and business.

How he presents

Murat's presentations unlock people's passions, demonstrating tactics for inspired ways of thinking and creating an atmosphere where people enjoy working and living.

Languages

He presents in English, French, German and Turkish.
