

Dr. Nouriel Roubini

Professor of Economics, NYU's Stern School of Business;
Chairman, Roubini Global Economics

CSA CELEBRITY SPEAKERS

Dr. Nouriel Roubini is a Professor of Economics at New York University's Stern School of Business and is Chairman and Founder of Roubini Global Economics, an innovative economic and geo-strategic information service with 30 economists on staff. He studies international macroeconomics, political economy and the mechanisms of economic growth.

"World-class economist who predicted the current financial crisis."

In detail

Professor Roubini served as a senior adviser to the White House Council of Economic Advisers and the U.S. Treasury Department, has published numerous policy papers and books on key international macroeconomic issues, and is regularly cited as an authority in the media. Dr. Roubini was chosen as number 4 on Foreign Policy's Top 100 Global Thinkers list and was named to Fortune Magazine's list of "10 new gurus you should know"

What he offers you

Dr. Nouriel Roubini is a successful forecaster of the current financial crisis, with distinctive insight into its course going forward. He is known for his now-vindicated predictions of the current financial crisis. He speaks on the global economic outlook and its implications for financial markets.
