

Pau Garcia-Milà Pujol

Entrepreneur and Founder of eyeOS

CSA CELEBRITY SPEAKERS

Pau García-Milà is the founder of a number of successful companies, including eyeOS, (later acquired by Telefonica) which he founded at age 17. His latest project is ideafoster, designed to inspire people and companies to develop their innovation capabilities. Pau is also the professor of ESADE (in Digital Business Master).

"Success is a question of statistics. If one of twenty things is successful, do twenty one"

In detail

As an entrepreneur Pau has achieved significant recognition and has won several awards as the Innovator of the Years for 2011 by MIT (TR-35), the Prince of Asturias & Girona award and the National Communications Award 2009 (Spain). In the audiovisual field, Pau has contributed to a number of radio programmes (Catalunya Radio, RAC1) and is the presenter of Empenta, the only radio program dedicated 100% to entrepreneurs. On television, Pau appears on a weekly programme, Catalunya Divendres about entrepreneurship. Pau also co-directed a mini-series in the summer of 2012 with Andreu Buenafuente called Verano Amarillo..
