

Vijay Govindarajan

Internationally Renowned Authority on Innovation and Strategy

CSA CELEBRITY SPEAKERS

Vijay Govindarajan is widely regarded as one of the world's leading experts on strategy and innovation. Vijay, a The New York Times and Wall Street Journal, Best Selling author, is the Coxe Distinguished Professor at Dartmouth College's Tuck School of Business and the Marvin Bower Fellow at Harvard Business School. He was the first Professor in Residence and Chief Innovation Consultant at General Electric. He has been ranked as number 3 on the Thinkers 50 list of the world's most influential business thinkers.

"Vijay has been identified as a leading management thinker by the most influential publications"

In detail

Prior to joining the faculty at Tuck, Vijay was on the faculties of Harvard Business School, INSEAD (Fontainebleau) and the Indian Institute of Management (Ahmedabad, India). He worked with GE's CEO Jeff Immelt to write 'How GE is Disrupting Itself', the Harvard Business Review article that pioneered the concept of reverse innovation - any innovation that is adopted first in the developing world. Harvard Business Review picked reverse innovation as one of the Great Moments in Management in the Last Century. In the latest Thinkers 50 Rankings, Vijay was ranked the #1 Indian Management Thinker and is the recipient of numerous awards for excellence in research, including the 2015 AMCF Carl S. Sloan Award.
