

Amy Cappellanti-Wolf

Former SVP & CHRO at Symantec

CSA CELEBRITY SPEAKERS

Amy Cappellanti-Wolf was Senior Vice President and Chief Human Resource Officer at Symantec. Amy led the Global HR, Workforce Planning and Real Estate organisations. With more than three decades of experience leading companies across high tech, entertainment and consumer products industries through complex transformations.

"A Motivator and Leadership Builder"

In detail

As CHRO at Symantec, Amy successfully led the global organisational operating model, structure, change management and integration strategies for large scale acquisitions and divestitures. She has led effectiveness strategies related to organisation and people optimisation, and delivered systemic programme and metrics related to structure, workforce planning, talent, and real estate consolidation. Amy has deep experience in architecting HR Operating Models in support of the business with her most recent emphasis on building Talent Development and HR Solutions capability. She has delivered high-impact automation and predictive data analytics and reporting, reducing operating expense, while improving operational effectiveness.

What she offers you

Amy specialises in helping businesses survive and thrive while undergoing deep transformation and has extensive experience leading complex mergers, acquisitions and divestitures.

How she presents

Amy finds ways to meet her audience and builds credibility through delivering on some of their initial expectations; she then shows how you can help them in a much different way.

Languages

She presents in English.
