

Brett King

Global Expert on Retail Banking, Founder of Movenbank

CSA CELEBRITY SPEAKERS

Brett King is a futurist, an Amazon bestselling author, hosts a globally recognised radio show, and is the Founder of the first mobile, neo-bank globally Moven. He advised the Obama administration on the Future of Banking, President Xi had his book on his bookshelf, and he has spoken on the future in 50 countries in just the last few years.

"Godfather of Fintech"

In detail

Brett King previously advised the Obama administration on Fintech policy and advises regulators and bank boards around the world on technology transformation. Brett hosts the world's first and #1 ranked radio show on FinTech called "Breaking Banks" (180 countries, 10m+ downloads) and his latest venture is "The Futurists", a podcast featuring those creating the future. He is the Founder of Moven, the world's first mobile, downloadable bank account. Moven was the first app-based, neo-bank or challenger bank in history that allowed an in-app application process for a debit card, the first banking app to use the homescreen for financial health indicators, the first real-time receipts for transactions, and the first bank to use contactless cards in the US) and now a Banking-as-a-Service platform for mobile banking and financial wellness available for banks and fintechs globally.

What he offers you

Brett's interactive style and entertaining presentation is not only enjoyable but informative too. He brings fresh insights and true examples which inform and motivate audiences to rethink their attitudes to new technologies.
