

Jim Crupi

Authority on Leadership and Future Trends

CSA CELEBRITY SPEAKERS

James Crupi has a proven record for helping organizations effectively manage change of any kind - from shifts in the market or economy, to new technology, to organizational restructuring. Jim has been featured on CNN and National Public Radio, and quoted in many publications throughout the world. He received his B.S. degree from North Georgia College, M.S. from the University of Southern California, and Ph.D. from the University of Florida. He has completed advanced work at the London Business School, Oxford University, and the International Management Institute in Geneva.

"It's not what you've been taught that matters. It's how fast you can learn." Jim Crupi

In detail

He served as a consultant to the President of the United States and has impacted dozens of Fortune 1000 corporations including Coca-Cola, Xerox, Turner Broadcasting Corporation, EDS, The Image Bank, Motorola, IBM among others.

What he offers you

Renowned for his leadership workshops, Crupi guides organizations in developing winning strategies and preparing effective training programs for their managers.

How he presents

A passionate speaker known for challenging outmoded beliefs, Jim Crupi uses video, simulated exercises and provocative questions to get the audience involved in his unique, customized presentations. In his keynotes, Jim Crupi challenges traditional assumptions about power, authority, status and achieving success. Emphasizing that personal leadership is key to competitiveness, he aims to teach executives that the leader's job is to "shape what might be, not serve what is."
