

Prof. Dr. Marco Gercke

Director of Cybercrime Research Institute

CSA CELEBRITY SPEAKERS

Marco Gercke is a global thinker and writer focussing on Global Security and Cybersecurity. For more than ten years he has advised governments, international organisations and the private sector. He is Director of the Cybercrime Research Institute, an independent global think tank dealing with legal aspects.

"Cybersecurity has become a major concern for nations and businesses worldwide"Marco Gerck

In detail

Prof. Gercke is teaching International Criminal Law, European Criminal Law and Cybercrime at the University of Cologne and is lecturer at the University of Macau, Oldenburg University and Muenster University. He was and is member of various international committees - among them the United National Counter Terrorism Implementation Task Force and Europol. As advisor he supported more than 80 countries in strengthening their capacities in relation to Cybersecurity and Cybercrime. He was appointed as member of the ITU High Level Expert Group and advised the ITU Secretary General within the development of the Global Cybersecurity Agenda (GCA).

What he offers you

Prof. Gercke is constantly analysing challenges and trends related to Cybersecurity and Cybercrime. His audience gain a full understanding of what actions they have to make to protect themselves and their companies. Additionally he conducts customised Cyber Incident Simulations. Decision makers will experience a confrontation of sophisticated attacks against their company. A great learning curve with an integrated audience.....

How he presents

A distinguished, experienced speaker and highly respected moderator, Prof. Gercke provides excellent and useful inside knowledge on the topic of cybercrime. His deliveries are full of practical examples, clear and highly informative.

Topics
