

# Marek Belka

Former Prime Minister (2004 - 2005) & President of the National Bank of Poland (2010 - 2015)

CSA CELEBRITY SPEAKERS

Marek Belka is one of the most renowned economists and European politicians. As a former Prime Minister and Finance Minister, he has been actively involved in shaping Polish and international economic policy. In addition to his role in Poland's politics, he held numerous high-ranking positions at the United Nations and World Bank and until 2015 he was President of the National Bank of Poland. He is currently Professor of Economics.

**"A respected voice on European & Global Economics"**

## In detail

Prof. Balka was Deputy Prime Minister and Minister of Finance in 1997 and again in 2001. In 2003 he was Chairman of the Council for International Coordination for Iraq and Director of Economic Policy. From May 2004 to October 2005 he was Prime Minister of Poland and from 2006 to 2008 he was Executive Secretary at the United Nations Economic Commission for Europe in Geneva. Before heading the National Bank of Poland in 2010, he served as the International Monetary Fund's European Department Director. In 2013 he was Chair of the Board of Governors at the European Bank for Reconstruction & Development and Member of the Central Bank Governance Group at the Bank for Settlements.
