

Prof. Mohan Munasinghe

2007 Joint Nobel Peace Prize Winner, Vice Chairman of
Intergovernmental Panel on Climate Change

CSA CELEBRITY SPEAKERS

Prof. Mohan Munasinghe is Chairman of the Munasinghe Institute of Development (MIND), Colombo; Director-General of the Sustainable Consumption Institute (SCI) and Distinguished Professor at the University of Manchester; and Honorary Senior Advisor to the Sri Lanka Government. As Vice-Chairman of the United Nations IPCC, Professor Munasinghe shared the 2007 Nobel Prize for Peace, for his work on global warming and sustainable development.

"Prof. Munasinghe is a multi international prize winner for his research and its applications"

In detail

Mohan Munasinghe has earned post-graduate degrees in engineering, physics and development economics from Cambridge University (UK), Massachusetts Institute of Technology (USA), and McGill University and Concordia University (Canada). During 35 years of distinguished public service, he has served as Senior Energy Advisor to the President of Sri Lanka, Advisor to the United States Presidents Council on Environmental Quality, and Senior Advisor to the World Bank. He is a Fellow of several international Academies of Science, and serves on the editorial boards of a dozen academic journals.

What he offers you

Mohan Munasinghe delivers insightful keynote speeches at gatherings ranging from high level international conferences to community meetings. He offers presentations and training seminars to corporations and governments on climate change, sustainable development, environment, economics, energy, transport, water resources, and information technology.

How he presents

Mohan Munasinghe challenges audiences with his hard hitting, informative and well researched presentations.

Languages

He presents in English.
