Parag Khanna

The World's Leading Geo-Strategist and Author

CSA CELEBRITY SPEAKERS

Parag Khanna is a leading global strategy advisor, world traveller, and best-selling author. He is Founder & CEO of Climate Alpha, an AI-powered analytics platform that forecasts asset values to future-proof global real estate, and Founder & Managing Partner of FutureMap, a data and scenario based strategic advisory firm.

"A widely cited global intellectual"

In detail

A world-renowned authority on globalisation, Dr. Khanna was named one of Esquire's "75 Most Influential People of the 21st Century" and featured on WIRED's "Smart List". He has provided his foresight to over thirty governments, including serving as an advisor to the U.S. National Intelligence Council and on the Singapore government's Committee on the Future Economy. He has also served on the boards of numerous financial firms and technology companies. His analyses are regularly featured in influential media such as CNN, Bloomberg, BBC, The New York Times, Wall Street Journal, The Economist, Financial Times, among others. Dr. Khanna holds a PhD in international relations from the London School of Economics, and bachelor's and master's degrees from the School of Foreign Service at Georgetown University.

What he offers you

Dr. Khanna delivers data-rich visualisations that distill geopolitical, economic, and technological megatrends, and provides tailored and detailed presentations embodying his deep expertise and first-hand experiences in more than 150 countries.

How he presents

His tailored roadmaps provide wise and pragmatic guidance to decision makers from business and organisations around the globe.
