CSA CELEBRITY SPEAKERS

Paul Dickerson has worn many hats - Presidential appointee in the United States government, attorney, CPA, investment banker and venture capital and private equity investor.

"A Global Expert in Leadership, Business, Energy, and Investing"

In detail

For decades, investors, executives, and boards of directors around the world have relied on Paul's insights. He practices law with Mintz Levin in Boston, while also working as COO and Managing Director for the venture capital firm of Energy Innovation Capital in San Francisco. Paul's insights appeal to both public and private sector audiences. Formerly, he served as COO of the U.S. Department of Energy's Office of Energy Efficiency and Renewable Energy. In this role, he oversaw a $2 billion annual budget while managing the international commercialisation of advanced energy solutions like bio-fuels, and solar, wind, and efficiency technologies. He also served as Chief of Staff for the Foreign Commercial Service at the U.S. Department of Commerce, where he managed a worldwide network of 1,700 employees in 260 offices.

What he offers you

Having spoken around the world, Paul offers high-minded analysis that can challenge and inspire decision-makers of all stripes, whether they are government officials, diplomats, investors, or business executives. Using memorable stories from his own experiences and lessons learned, he easily connects with audiences, leaving them smarter and empowered to act.
