

Dr. Nouriel Roubini

Professor of Economics, NYU's Stern School of Business

CSA CELEBRITY SPEAKERS

Dr. Nouriel Roubini is a professor of economics at New York University's Stern School of Business. He is also CEO of Roubini Macro Associates, LLC, and Co-Founder of Rosa & Roubini Associates. Dr. Roubini studies international macroeconomics, political economy and the mechanisms of economic growth.

"World-class economist who predicted the financial crisis."

Im Einzelnen

Dr. Roubini has extensive policy experience as well as broad academic credentials. He was Co-Founder and Chairman of Roubini Global Economics from 2005 to 2016. Dr. Roubini served as a senior economist to the White House Council of Economic Advisers and the U.S. Treasury Department. He has consulted for the International Monetary Fund and the World Bank, has published numerous policy papers and books on key international macroeconomic issues, and is regularly cited as an authority in the media. Dr. Roubini was chosen as number 4 on Foreign Policy's Top 100 Global Thinkers list and was named in Fortune Magazine's list of "10 new gurus you should know".

Seine Vorträge

Dr. Nouriel Roubini is a successful forecaster of the current financial crisis, with distinctive insight into its course going forward. He is known for his now-vindicated predictions of the financial crisis. He speaks on the global economic outlook and its implications for financial markets.

Sein Vortragsstil

Thanks to his deep understanding of macroeconomics and political economy he inspires audiences worldwide.
