"Glenn D Rolfsen - making work environments healthy, safe, happy & productive"

En detalle

Glenn has shown his concept of how to change an unhealthy and toxic work environment by presenting a clever and easy guide to prevent backbiting at work. He has been a Keynote speaker at the World Health Organisation (WHO) with his Gozzip 2018 concept to all 155 member states. The concept is used on the Global Respectful Workplace Day on 7th December, every year. He has also been the Keynote speaker for HR organisations in Europe. As a speaker and psychotherapist, Glenn has become an expert with his knowledge of the importance of psychosocial work in companies that succeed and what factors are involved.
